Comment on FR Doc # 2015-14921

Submitter Information

Name: G Michael Cinko

General Comment

Please do not further restrict what citizens can do with their own retirement resources. My retirement savings belongs to ME, not you, some committee, agency or anyone else. Thus, I should be free to invest it as I please as I assume the risk. If you think some actions are not appropriate, then by all means restrict the actions of YOUR resources. But please leave me free to decide what is right for mine.
